Action Taken Report of 11th Board of Studies Meeting
School of Architecture, Planning & Design

The 11th Board of Studies Meeting was conducted on 22nd Sept 2022 to discuss the course structure and course content of various courses offered to UG/ PG programs of School of Architecture, Planning & Design. The recommendations of BoS were forwarded to UG/ PG Academic Committee and Academic Council for further approval. Following are the action taken-

Agenda Item No.	Recommendations of Board
11.4	<ol style="list-style-type: none">I. Total minimum credit requirements for B.Arch degree has been revised from 278 to 260 in order to provide more flexibility to the students. This is in line with the credit range specified by Council of Architecture under Minimum Regulation for Architecture Education Standards 2020.II. The credit requirements of all FFCBCS baskets and courses have been updated as per Annexure 11.4.1III. Working Drawing-II has been merged with Working Drawing-I and shifted to Sem-VIII with one additional credit as per Annexure 11.4.1IV. Structural Design & Systems-IV has been updated with Unit-5 and Structural Design & Systems-VII has been discontinued. Prof. B.K Singh suggested to specify the analysis of pre-stressed concrete member as simply supported beams, because it's a very vast topic. The comment was duly approved by all members.V. Two new subjects- Seminars and Dissertation will be offered before the Thesis. Contents and credits of these courses were duly approved by members.VI. Architectural Graphics Skills-III and Architectural Graphics Skills-IV have been discontinued to remove the duplicity of content. These are now covered under Value Added Training.VII. Corporate Communication and Soft Skills has been introduced under Language and Literature Basket.VIII. Prerequisites for various courses have been removed to meet the practical challenges of the FFCBCS batches. From now onwards, only Architectural Design and Thesis will have the prerequisites as per COA (Annexure 11.4.1).IX. All of the above changes will be applicable for new batches and current FFCBCS batches as well from Even Sem 2022-23 onwards
11.5	<ol style="list-style-type: none">I. Total minimum credit requirements for B.Des(UX/UI) degree has been revised from 158 to 150 in order to provide more flexibility to the students.II. The credit requirements of all FFCBCS baskets and courses have been updated as per Annexure 11.5.1III. Corporate Communication and Soft Skills has been introduced under Language and Literature Basket.
